Re: Front Street North Boardwalk
File# SEP130 / SSDP104, Ecology SEPA# 202001185

Dear Mike Bertrand:

Thank you for the opportunity to provide comments on the **Front Street North Boardwalk** Project. Based on review of the State Environmental Policy Act (SEPA) checklist associated with this Project, the Department of Ecology (Ecology) has the following comments:

According to Ecology records, petroleum contaminated soil was discovered on this property. If a petroleum release is discovered during construction activities, be sure to report these findings to Ecology's Northwest Regional Office at (425) 649-7000.

You may access the electronic records Ecology has available for this site, here:
<https://apps.ecology.wa.gov/gsp/Sitepage.aspx?csid=12645>

Thank you for considering these comments from Ecology. If you have any questions or would like to respond to these comments, please contact Ian Fawley from the Toxics Cleanup Program at (360) 255-4382 or by email at ian.fawley@ecy.wa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Katelynn Piazza".

Katelynn Piazza
SEPA Coordinator
