It's that time of year again when the grass and brush are getting tall. We ask that you cut your tall grass as soon as possible. Dry uncut tall grass and brush can be a serious fire danger to your property and your neighbors.

NOTE: *Regulations do not permit any "outdoor burning" of yardwaste material within the Town of Friday Harbor.* For more information please contact the Town at 378-2810 or visit the Town website at www.fridayharbor.org

Thank you!
