

**RESOLUTION NO. 2336**

A RESOLUTION accepting the work for repairs to damaged sewer main on Front Street.

WHEREAS, the Town made emergency repairs to a collapsed portion of sewer main on Front Street located near 65 Front Street; and

WHEREAS, the Town needed to reline said sewer main with “Cured-In-Place Piping” (CIPP) to prevent further collapse and failure; and

WHEREAS, Flow Technologies, Inc. was the only firm available to perform said service in a timely fashion; and

WHEREAS, pursuant to Resolution No. 2271 on May 5, 2017 the Town of Friday Harbor contracted with Flow Technologies, Inc. to furnish and install liner to reinforce said sewer main; and

WHEREAS, the quantities and amounts for the project were reconciled; and

WHEREAS, the project was completed and inspected in compliance with its contract; and

WHEREAS, the Town Engineer recommends acceptance of the project; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the Town of Friday Harbor that the CIPP relining by Flow Technologies, Inc. to damaged sewer main on Front Street is hereby accepted.

BE IT FURTHER RESOLVED that unencumbered retainage be released to the Contractor.

ADOPTED this 7th day of December 2017.

TOWN OF FRIDAY HARBOR
